FLEXIBLE COURSE DURATION

The CCERT catalogue includes short-term certificate programmes as well as diploma and advanced diploma programmes, allowing centres to serve learners with different goals and time commitments.

ONLINE CERTIFICATE VERIFICATION

CCERT provides an online certificate verification facility so students and concerned parties can check certificate details through the official website.

YOUR LOCAL CENTRE + CCERT SYSTEM

You manage local training and student support while working within CCERT's applicable course, registration and certification framework.

WHAT YOU GET AS AN AUTHORIZED STUDY CENTRE

A structured platform for operating and growing your training centre.

Authorized Centre Identity

Operate as a CCERT Authorized Study Centre after approval and activation, with a unique centre/franchise identity.

Franchise / Centre Login

Access the CCERT online system for applicable centre, course and student processes.

Student Registration

Register eligible students for available programmes according to CCERT procedures.

Course Catalogue

Select suitable programmes based on local demand, infrastructure and teaching capability.

Certification

Successful candidates can receive CCERT certification after completing applicable course requirements.

Online Verification

Certificate details can be checked through CCERT's online verification facility.

WHO CAN APPLY?

- ✓ Individuals / Proprietors - especially applicants with IT, education or teaching experience
- ✓ Existing Computer Training Centres - looking to expand their course and certification offering
- ✓ Schools & Educational Organisations
- ✓ Registered Societies & Trusts
- ✓ Charitable / Religious Organisations

Final approval is subject to application review, eligibility, infrastructure and applicable CCERT requirements.

HOW TO START

A simple path from enquiry to centre activation.

01

Prepare Basic Centre Setup

Around 200 sq. ft. covered space, minimum 5 computers, internet connection, printer/scanner, whiteboard or notice board, suitable teaching staff, drinking water, washroom and first-aid facility.

02

Keep Documents Ready

Identity and address proof, centre/organisation details, relevant partnership / society / trust documents, teaching staff details and any other documents requested during verification.

03

Submit Application

Complete the CCERT Study Centre / Franchise application with your proposed centre details.

04

Review & Approval

CCERT reviews the application and supporting information. Additional details may be requested where necessary.
